

Up to 20% Stronger • 5 Times More Rust Protection

Comfort Grip

Strength and comfort, engineered to provide maximum torque without breakage.

Bondhus tools provide the greatest time savings, maintenance, assembly, and adjustment of hexagonal socket screws. They feature color coded, ergonomically designed handles that are comfortable to use and proportioned to provide maximum torque without breakage. Only available from Bondhus, Protanium® steel blades means these are the strongest hex tools available.

Available in Regular, Long, Extra Long and Custom Lengths.

Color Coded Handles and Charts Indicate

Yellow = Inch

Red = Metric

Green = Star Tools
